FRIDAY CO-OP PARTICIPATION APPLICATION

FAMILY SURNAME: _____ EMAIL _____ PLEASE CIRCLE **New / Returning**

Our Co-op meets almost every Friday during the school year. Our **First Semester** begins the third or fourth Friday in August, depending on the date of our Kick-Off Party. We offer three different rotating classes, each for a four week duration. The first semester ends before the annual YEAH event we lovingly call our "Thanksgiving Feast". This gives everyone more than a month of 'free' Fridays during the Christmas season. Our **Second Semester** begins in January. Just as our first semester, it has a twelve week cycle of three different classes rotating every fourth week. We must plan, and this form will assist in that planning process.

As with all of YEAH, Co-op is a **PARENT LED** labor of love. It requires all participating Moms to volunteer in some capacity, from leading and teaching to simply sweeping the floor. There have been times that we have been blessed with a Dad whom was able to take time out of their busy schedule to teach. Talk about excited kids!! We know that is rare, but we welcome their knowledge. So Ladies, Gentlemen, we need teachers! A **parent teacher** takes on **one FOUR week class rotation**, four Fridays in a row. You of course may teach more than one class throughout either or both semesters. Co-op cannot exist without these **PARENT TEACHER VOLUNTEERS**. Please *prayerfully tell us how you*, as a parent will help out. Yes, there is most definitely time for socializing for both you and your children. We all love that time! Remember all of OUR kids benefit from the time you give. Each one of us will make a difference in these children's lives. Let's all give a part of ourselves.

First chart: Please enter the names and grades of your students. Class participation fee is **\$5.00 per child, per semester**. Presently we are offering an additional class, *Physical Education* for K - 8th grade, it is an extra **\$3.00 per child, per semester**. If you plan to only attend one semester, please note which semester on the chart. Please keep in mind, you are **ONLY** required to **remit payment for one semester at a time**; however if you know already ahead that you want both semesters, go ahead, sign up. You may pay in full only if you wish. Remember, you can remit the second half of the fee at the time the second semester begins.

Please let us know if there are any medical issues with your children, as this will also help us with planning.
